WHAT DOES COMBIONIC STAND FOR?

com + bionic = combionic

“Computers are incredibly fast, accurate and stupid;

Humans are incredibly slow, inaccurate but brilliant;

Their interaction makes things that are beyond our imagination.”

Source: Attributed to Albert Einstein
Leo Cherne may have been the actual source of this popular quotation

WE MAKE DOCUMENTS INTELLIGENT

BANKS ARE FACING TREMENDOUS CHALLENGES ON DATA CONFIDENTIALITY

- Regulatory agencies such as **SEC** or **BAFIN** exert more and more **pressure** onto **banks** and companies in the financial sector **to hand over reports or board meeting protocols** etc.
- **Scandals** and **misconduct** against **the compliance guidelines** in terms of **sensitive data** and its loss or misuse demonstrate the imperative **necessity** of **an effective protection of privacy and confidentiality.**

≠

- Ensuring the **protection of information and confidential data** in documents, protocols or emails **without technical support is difficult and very expensive**.

✓

- **The high quality redaction tool by Combionic is the solution!**
- **Fast – efficient - unique**
